**Phone:** (34) 687734605

I'm a **VFX digital compositor** based in Barcelona. I have experience in digital compositing for films, TV and advertising.

I'm a highly organized person , with an extremely attention to detail and committed to deliver always a **high quality work**. I have fun working in VFX, and that leads to a constant learning attitude and good work environment. A happy team works better.

## Digital Compositing Skills

- Committed to deliver high quality work
- Problem solver and great communication skills
- Both **technical** and **artistic** background.
- Great eye for light and color
- Highly organised with the scripts.
- Knowledge of 3D packages, mainly Maya and Houdini.
